

Nurse Practitioner Job Description

Position Title: Nurse Practitioner

Schedule: Part-time (3 days per week)

Under Direction of Medical Director but operating in the department run by the Nurse Manager.

Objectives:

The Nurse Practitioner (NP) provides advanced medical care for pregnant mothers and infants under the supervision of the Nurse Manager (RN), serving as a calling to provide Christ-centered care that supports and uplifts families in alignment with the Pregnancy Help Center's mission.

Qualifications:

1. Must be a Christian who is committed to carrying out the pro-life mission of the Pregnancy Help Center, recognizing the spiritual and emotional impact this role has on the community.
2. Exhibit strong commitment and dedication to the sanctity of all human life.
3. Exhibit strong commitment and dedication to sexual purity.
4. Agree with and be willing to uphold the Statement of Faith, Statement of Principle, and the policies of the center.
5. Hold a valid Nurse Practitioner license with prescriptive authority in the state of operation.
6. Ideally have a minimum of two years of clinical experience in maternal and infant care.
7. Demonstrate strong interpersonal and patient care skills.
8. Ability to work collaboratively within a multidisciplinary team.

Responsibilities:

Patient Care:

1. Conduct comprehensive assessments of pregnant mothers and infants, including physical examinations and prenatal checkups.
2. Diagnose and manage common prenatal, postpartum, and infant health issues.
3. Educate and counsel patients on prenatal care, nutrition, and infant health and wellness.
4. Develop individualized care plans for patients and ensure follow-up care as needed.
5. Provide medical services in accordance with established protocols, standing orders, and state regulations.

Collaboration:

1. Work under the supervision of the Nurse Manager and coordinate care with the Medical Director as needed.
2. Collaborate with RNs, sonographers, and other staff members to provide holistic care to clients.
3. Participate in team meetings and contribute to the development of medical services at the center.

Administrative Duties:

1. Document patient care accurately in medical records and ensure compliance with client regulations.
2. Assist with maintaining adequate medical supplies and ensuring medical equipment is properly used and maintained.
3. Contribute to the creation and review of educational materials for patients.
4. Assist, when necessary, on other tasks or duties required for the running of PHC.
5. Assist, when necessary, to fundraising events activities before the event and in attendance.

Continuing Education:

1. Comply with state and professional continuing education requirements for Nurse Practitioners.
2. Annually review the center's policies and procedures, infection control regulations, and medical protocols.

Evaluation:

The Nurse Practitioner will receive an annual evaluation by the Nurse Manager and Executive Director, focusing on both medical and operational performance.

Key Attributes:

- Compassionate and mission-driven.
- Strong organizational skills with attention to detail.
- Effective communicator with patients and staff.
- Flexible and adaptable to the needs of a dynamic, ministry focused environment.

This position offers the opportunity to transform lives by providing compassionate care to mothers and infants, fulfilling a higher purpose of advancing the pro-life mission and sharing Christ's love through medical ministry.

This is a non-exempt job. We do not offer benefits like health insurance or retirement match at this time.
